In Memoriam……

Dr. Richard M. Barbee, age 77, Knoxville, TN.
A member of the ADA/TDA/SDDS passed away on July 6, 2022

Notes from the President

Ben Scott

Dear Colleagues,

I hope that your summer is going great! As some of you know, our Executive Director, Diane, has taken a new position. Diane has served the Second District faithfully for many years and we've been blessed by her talent and care. We are sad to see her go--she will be greatly missed! But we are excited for her new opportunity, which isn't taking her too far away. Since Diane is staying within the field of dentistry, you might continue to run into her in your offices or here and there. When you see her, please join me in thanking her for all of her years of dedication. We are grateful for what she has done and for what she will continue to do in helping us in this transition. We would like to bring someone into the Executive Director position as soon as possible.

If you know of anyone that might be interested in this position, please have them contact me to express their interest. And please do not hesitate to give them my contact information. I hope to see you at our August Welcome reception. Please be sure to rsvp to 865-919-6464.

Ben Scott DDS
bdscott@knoxendo.com
865-771-3070

Dear Members of the Second District Dental Society,

It has been a great privilege and honor to work as your SDDS Executive Director over the past 17 years. However, after much prayer & careful consideration, I have made the decision to resign. Working for the SDDS has been a wonderful experience that has afforded me many valuable opportunities to learn and grow professionally. I am very grateful to have been a part of this organization and to have gained the friendships that will remain. Your SDDS President, Dr. Ben Scott and the SDDS Officers were given my official resignation at the end of May in order to give them the time to find someone to fill this position. I will stay on as needed through the summer and be available nights and weekends as needed.

I wish each of you & the SDDS continued growth and success in the future.

Warmest regards,

Diane Landers

Jason Buehler

Jason Buehler, MD is an Assistant Professor with eight years of experience in comprehensive pain management at the University of Tennessee Medical Center. Originally from Northwest Ohio, Jason has gathered a diverse education in anesthesia and pain management through his training at the University of Tennessee and the University of California-San Francisco. After completing a fellowship in pain medicine, he returned to Knoxville to develop innovative clinical and educational programs with a primary focus on the prevention of opioid addiction through employing effective transitional pain practice.

Since his return, Jason has led in the development of the University Center for Pain Management-Knoxville, Multimodal Acute Pain Service, Perioperative Research Group, and fellowships in both chronic and acute pain medicine. Through a partnership with the Department of Public Health, Jason maintains active research evaluating the intersection of acute pain, public health disparities, and the development of new persistent postoperative opioid utilization. These efforts have been recognized by his trainees through “Excellence in Teaching” awards and by his peers through being named a “Top Doc” in City View Magazine for the past two years.

A lover of the outdoors, Jason has found East Tennessee an ideal place to raise his family with his wife, Katie.
