Notes from the President's Corner

Hello fellow Second District members. I hope you are enjoying this last month of summer. Please be sure to attend our final summer meeting on Thursday, August 20. We are so proud of our members and want to be sure and give them our support.

As you have most likely noticed, we have included the notice of the motion to increase our local dues by \$20 in this newsletter. In accordance with our current By Laws, we must publish the motion at least 30 days prior to voting on it. The motion is scheduled to be voted on at our September meeting. I would encourage you to vote for this modest increase. We have not had an increase since 2005, but our expenses have continued to increase in spite of your Executive Committee and Executive Director's diligent efforts to control expenditures. Your president and Executive Committee endorse this increase.

Hopefully by now all of you have changed to the required special paper for printing your prescriptions. August 1, 2009 was the deadline for developing a written Red Flags Rule for your office. See the ADA website at www.ada.org for its guide and sample form. If you have any questions about this new requirement, please see the July TDA Newsletter.

As a final note, we are using the information gathered by the Local Arrangements Committee to consider having some of our future meetings at the Peerless Restaurant. We are aware of the desire of many of our members to have meetings at a first class restaurant. Our goal is to offer a site that will serve a high quality meal, offer a meeting room that satisfies our space requirements and audio visual needs, and allows us to charge a reasonable fee to our members for the meetings.

I am always open to your suggestions and comments. Thank you for allowing me to be your president.

Susan Orwick-Barnes

MEMBERSHIP DUES

At our annual meeting in February, there was a motion made, and seconded, to raise the local component portion of the annual dues by \$20. Since the amount of Second District's portion of the TDA dues is spelled out in the Constitution and Bylaws, any motion to change them requires a written notice to all members of the society, at least thirty days in advance of the vote. This motion is scheduled to be voted on at our September meeting. This article will serve as your written notice. If passed, the change will occur on your next dues statement for 2010.

It should be noted that there has not been an increase in the local dues since 2005. While the officers, executive council and Executive Director have worked hard to keep our expenditures within our present dues revenue, it is inevitable that modest dues increase will be needed soon (or at this time).

This motion was endorsed by the Executive Committee.
