Reservations Required Prior to 02/26/10

Appliance therapy is more than just making a protective night guard for people who grind their teeth. With a simple piece of plastic there is tremendous opportunity for making connections, giving comfort, building relationships, diagnosing, and learning about our patients. Appliance therapy can be one of the most fun and rewarding aspects of dental practice.

This presentation will discuss the application of appliance therapy, different kinds of appliances and their advantages and limitations, and how to transfer learning (yours and your patients') from the appliance to predictable dentistry. We will also discuss how this can be practically be applied successfully and profitably.

Kevin Browne DMD is a practicing dentist in New Providence, NJ who is focused on patient driven comprehensive care. Dr. Browne is a visiting faculty at the Pankey Institute where he teaches hands on appliance therapy and occlusal therapy. He is a Pankey mentor, a member of the Spear Faculty Study Club and is on staff at Overlook Hospital in Summit, NJ. Dr Browne is passionate about sharing what he has learned and found to enhance the enjoyment of dentistry.

Notes from the President

Well, by now all of you will have put away the Christmas decorations, made your New Years Resolutions, and maybe already given up on a few of them! I hope you all had a wonderful time over the Holidays and were able to take some time off.

I want to thank Doctors Gibbs and Mac Prevost for hosting their wonderful Christmas Eve gathering for the Second District members. As usual the food and company was exceptional.

Your Executive Committee met just prior to the Christmas holidays to work on some new ideas for the upcoming year. One of the ideas that we have decided to implement is to present the ADA book, CEO Crash Course, to all new members in 2010. We think that it contains good information that can be used by all Dentists, young or old. It is also a good example of the many items available to members of the ADA. We want to welcome our new members and to encourage them to become long-time, active members.

Friday, February 5, 2010, is the Give Kids A Smile Day. Once again, Dr Steve Keeton at the Knox County Health Department Dental Clinic has granted us permission to hold the event there. We need volunteers! Not only do we need dentists, we would love to have some assistants, dental hygienists, and front desk folks join us. It's a fun morning and the kids are wonderful. I will also need a few dentists to help on the follow up care of the children who cannot be treated at the Health Department. You've got my number 719-6103.

Please make plans to attend the January 21 meeting at The Foundry. Dr. Timothy Hottell, the Dean of the UT College of Dentistry will be updating us on dental education trends. He is a good speaker and the evening should be informative. Remember our new start time for socializing is 6:00PM and the meeting begins at 6:30PM.

We will be trying out the Peerless Restaurant for our April meeting when we induct the new officers. I know some of y'all have wanted to do that for some time. I do appreciate all of the input I have received concerning meeting locations. Your Executive Committee is doing it's best to meet in locations that offer good food and drink, as well as a reasonable fee for the room and our AV needs.

Stay warm! See you at the meeting.
