Thursday June 10th- Dr. Eric Carlson

Topic: "Some dude and other trauma tales from the University of Tennessee Medical Center"

Thursday July 22nd- Drs. LeeAnn Hovious & John Sterrett

Topic: "When is a Simple Case Complex? A Periodontal/Implant Prospective."

Peer review has seen a trend over the last 10 years from less complaints about full dentures, root canals, and single tooth problems to more complaints on larger cases of \$5,000 and much more. These problems are often related to improper diagnosis and utilization of single tooth treatment principles when more complex methods were necessary. This relevant topic addressed by these fine periodontists will be helpful to everyone. Walter Fain - program chairman.

August 19th- Drs. Drew Osborn, Phillip Powell, Mark Crumpton, & Bo Townsend

Topic: Case Presentations—Pedodontics

Notes from the President

"What a great start into the summer following the annual session of the TDA in Chattanooga. Our summer program begins with Dr. Eric Carlson on June 10, with the topic "Some Dude and Other Trauma Tales from the University of Tennessee Medical Center".

Our second summer program is by Drs. John Sterrett and LeeAnn Hovious on July 22, dealing with "When is a Simple Case Complex? A Periodontal/ Implant Prospective"

And we conclude the summer series with a presentation by Drs. Crumpton, Osborn, Powell, and Townsend on topics in pedodontics. If you've experienced behavioral management issues in the office, endo or trauma questions, this is a great meeting to attend on Aug. 19.

Your support makes these programs a success. I look forward to seeing you at the summer series."

Sincerely,

Dr. Danny Chacko

Access to primary dental care is a high priority for the ADA and the Second District. If every dentist and every staff member volunteers time or money or both, we can make a difference. Come see what some of our members are doing to help those in need and begin to think about how important this can be to you. Think of the impact these and other programs have to those in need and to our profession. This may be the most important Second District dental meeting ever. We can all help so bring your staff. Our goal is to significantly increase access to care for those who can't reasonably afford it through our volunteerism.
