**Notes from the
President**

It's been a privilege to serve as president of the Second District Dental Society. Just like going to a play on Broadway, the stage is a small part of what it takes to produce the finished product. Off stage is where most of the hard work takes place.

I would like to take the opportunity to thank all those who have worked at promoting organized dentistry. Each month, the program committee headed by Drs. Walt Fain & Marshall Parker has organized a program that is pertinent to our practices.

If you have not attended a Second District program in the past year, I encourage you to start. Make that transformation more concrete by bringing your team. We have three programs this coming year that are team focused. There is nothing more powerful than a team has caught a hold of the vision.

I look forward to your comments on how we can improve your dental society in the new year. Our incoming president, Dr. Mike Bowman along with other officers are working hard to make this the best one yet. Our next meeting will held at the Peerless Restaurant on April 7, your support and presence makes each meeting special.

Sincerely, *Dr. Danny Chaacko*
