Greetings Second District,

Get ready for an exciting year in The Second District Dental Society. I want to encourage everyone to attend the meetings on a regular basis. The community that we as dental professionals foster is critical to the profession’s success. I truly believe that the best and last hope we have in dentistry is working through the past, present, and future together supporting each other and bettering each other. I have observed the opposite of this in other professions.

In the Spirit of Sharing we have an excellent program put together by Dr. Fain. Dr. Malone kicks off the summer sharing in July, followed by Dr. Trvett and Dr. Fain in August. We have responded to increased interest in OSHA by bringing in Olivia Wann in September. As always, Dr. Jubran has an excellent Earl Henry planned. A life coach that has changed many lives, including mine, is sharing in January and Lee Wilson and the GPR residents will follow in February. The Ben Alley Lecture is a program on treatment of older patients (more mature as I like to say). A charity will be featured at each meeting and Dr. Henson has agreed to gives us pertinent updates on the Board of Dentistry throughout the year.

Thanks to everyone who served this last year. Second District had a great turnout for the board of delegates. Congrats, to Dr. Fain on being elected as an ADA delegate and Dr. Susan Orwick-Barnes being elected as TDA Trustee and ADA alternative Delegate. Lastly, thank you to Dr. Jarrell for what she has done to engage the Young Dentists in Second District. The Orange and White tailgate she planned was a tremendous success.

Please come be a part (not apart). If you are interested in MORE, come talk with one of the most excellent officers or Diane Landers and we will work on plugging you into a role. We need people on committees, as delegates, as mentors, in leadership and more.

The best is yet to come!

Thank you,
Josh
2018-2019 DENTAL SOCIETY OFFICERS

President: Josh Campbell
President Elect: Brad White
Vice President: Ben Scott
Treasurer: Tim McConnell
Secretary: Steven Brock
Past President: Vicki Guffey

Hotel Knoxville (formally Marriott) 501 E. Hill Ave.
Reception 6:00 p.m.  Dinner & Program 6:30 p.m.
Dr. Stephen Malone
Treating TMD & Maintaining Professionalism
$40.00 per person    2 CE hours
reservations required prior to 7/11/2018

Over a long span of years there have been many different ways of treating TMD. Some of these methods seemed perfect at the time but later proved to have faults. This lecture will demonstrate a better approach for the doctor who is treating TMD and how to better discuss treatment options with patients and other professionals.

Dr. Stephen Malone received his Doctorate of Dental Medicine Degree from the University of Louisville in 1994 and has practiced dentistry in Knoxville for over 20 years. He believes in the value of continuing dental education and has pursued hands-on and mentored advanced dental education every year since earning his doctorate. He participates in multiple dental study clubs and professional organizations where he has taken a leadership role.

Among the continuing education programs he has attended, The Pankey Institute for Advanced Dental Education is noteworthy. He was the youngest dentist to earn the status of Pankey Scholar at this world-renowned post-doctoral educational institution and he is now a member of its Visiting Faculty.

Dr. Malone along with his wife Lisa enjoy spending time with their two sons, Davis and Grant. He also enjoys the Great Smoky Mountains and photography.

Hotel Knoxville (formally Marriott) 501 E. Hill Ave.
Reception 6:00 p.m. Dinner & Program 6:30 p.m.
Drs. Ann Trivette & Walter Fain
Non Odontogenic Tooth Pain
$40.00 per person  2 CE hours
reservations required prior to 8/16/2018

Dr. Trivette was born and raised in Knoxville. She is a Central High
School alumni and continued to earn her Bachelor of Science degree in
Biology from Furman University. Ann completed her Doctorate of Dental
Surgery from the University of Tennessee College of Dentistry in Mem-
phis, Tennessee.
She is a member of the ADA/TDA/SDDS, Academy of General Dentistry
and Pierre Fauchard Academy. She has completed curriculums with the
Pankey Institute for Comprehensive Dentistry and the Dawson Dental
Institute and pursues numerous continuing education opportunities each
year.
Ann is also part of a community of study. She currently is a member of
Knoxville’s Pankey Study Club and The Oral Design and Implant Study
Club. Ann enjoys volunteering and has found care giving at the Volunteer Ministry Center fulfill-
ing. Ann enjoys time with her family and is active in her church.

Dr. Fain grew up in Knoxville, graduated from the University of Tennes-
see and has practiced here for over 40 years. He has attended thou-
sands of hours of continuing education courses including over 500 hours
at the Pankey Institute as a student and as a visiting faculty member. He
has presented programs at the state and local levels and is a delegate to
the American Dental Association.

Mini presentations have become a tradition for the month of August. Fifty-two of our Second
District members have contributed to its success. Get to know other dentists and learn from their
experiences.

Hotel Knoxville (formally Marriott) 501 E. Hill Ave.
Reception 6:00 p.m.  Dinner & Program 6:30 p.m.

Olivia Wann

Top Ten OSHA Violations

$40.00 per person               2 CE hours
reservations required prior to 9/12/2018

- Preparation for TOSHA's Random Audits
- Learn how to be “Inspection Ready”
- Understand the Required Documentation
- Transmission of Infectious Agents in Dental Settings
- Immunization of Dental Healthcare Personnel (DHCP)
- Exposure Risk Determination and Post-Exposure Management
- Hand Hygiene
- PPE, Respiratory Hygiene, Cough Etiquette
- Sharps Safety (includes Needle stick Prevention Act and Safe Injection Practices)
- Dental Unit Waterline Quality
- Sterilization & Disinfection of Patient Care Item
- Operatory Preparation (SOPs, Environmental Surfaces, Medical Waste)
- Review of pertinent aspects of OSHA BBP/Haz Com Standards
- Identification of and Response to Breaches in Infection Control

This course will be a full two hour presentation.

Olivia Wann founded Modern Practice Solutions in the year 2000. She graduated from the Nashville School of Law with a Doctorate in Jurisprudence and continues to consult with dental practices on managing risk in a complex regulatory environment. Olivia graduated magna cum laude from St. Joseph’s College of Maine with a Bachelor of Science in Health Care Administration. She spent her early years as a dental office manager and later served as a dental software support technician for SoftDent. She attended Tennessee Technology Center’s dental assisting course and was registered as a dental assistant for many years. She participated in Georgia Tech’s Course in Occupational Safety & Health Standards for General Industry. Olivia served as a course instructor for Cross Country Seminars and instructed over 250 lectures in 50 states. She has authored several compliance manuals and has had numerous articles published in industry journals.

The 71st Annual Earl Henry Memorial Clinic & Luncheon
Dr. Chris Ramsey
Master Your Sixth Sense

Course Objectives:
• Provide the participants with the tools necessary to “see” what others do not in everyday communication - "The Sixth Sense"
• Provide participants the simple understanding of “Body Language” cues which allow for better communication.
• Provide insight into both conscious and sub-conscious decision making and how that effects treatment acceptance.
• Provide an understanding of the Art of Persuasion and its effect on decision making.

Christopher D. Ramsey, DMD was raised and currently practices in Jupiter Florida. His practice focuses on comprehensive esthetic and restorative dentistry. Dr Ramsey received his dental degree from Temple University School of Dentistry in Philadelphia Pennsylvania in 1999.
Dr. Ramsey is a member of the American Academy of Esthetic Dentistry (AAED), a member of the American Society for Dental Aesthetics (ASDA), and an Accredited member of the American Academy of Cosmetic Dentistry (AACD). He is a Graduate of the Kois Center in Seattle Washington and also an Alumnus of the Pankey Institute in Key Biscayne Florida.
Dr. Ramsey is on the editorial review boards for the AACD Journal and the Journal of Implant and Restorative Dentistry. He has published numerous articles on customer service related topics, adhesive technology, implant therapy, scanning technology and cosmetic dentistry in several publications such as Journal of Implant and Restorative Dentistry, Journal of Esthetic and Restorative Dentistry, PPAD, Dentistry Today, Contemporary Esthetics, Signature, and Dental Products Report. Dr Ramsey is a product consultant for The Dental Advisor, and to numerous dental manufacturers, which allows for greater insight in to the newer materials and techniques.
Dr Ramsey is called upon to teach the latest techniques in Body Language and Non-verbal communication and what they mean to the success of our practices.
Dr. Ramsey takes over 200 hours of continuing education a year to stay on the cutting edge of cosmetic dentistry, which is a rapidly changing profession. He is the past President of the Florida Academy of Cosmetic Dentistry.

Eric Carlson, DMD, MD, EdM, FACS
Osteonecrosis of the Jaws – Update 2018
$40.00 per person  2 CE hours
Reservations Required prior to 11/7/2018

Osteonecrosis of the jaws represents a controversial and complex collection of diagnoses including radiation tissue injury, chronic medullary bone infection, and a wound healing dilemma associated with antiresorptive and antiangiogenic medications. The latter pathologic entity has perplexed the professions of dentistry and medicine since a plethora of cases were described in 2003. While the pathophysiology of medication related osteonecrosis of the jaws (MRONJ) continues to baffle clinicians, the surgical treatment of this disease demonstrates very favorable outcomes and an opportunity for functional and esthetic reconstruction of these patients. It is the purpose of this presentation to review the pathophysiology, staging and surgical treatment of MRONJ while emphasizing the role of the dental professional in the treatment of this complex disease.

Eric R. Carlson, DMD, MD, EdM, FACS serves as Professor and Kelly L. Krahwinkel Chairman, Department of Oral and Maxillofacial Surgery, Director of Oral and Maxillofacial Surgery Residency Program, Director of Oral/Head and Neck Oncologic Surgery Fellowship Program, & University of Tennessee Medical Center, Knoxville and the University of Tennessee Cancer Institute.
Dr. Carlson is a graduate of University of Pennsylvania School of Dental Medicine, University of Miami Medical School, Graduate School – Harvard Graduate School of Education, Oral and Maxillofacial Surgery Residency – Allegheny General Hospital, Fellowship in Oral/Head and Neck Surgery – University of Miami/Jackson Memorial Hospital, General Surgery – University of Tennessee Medical Center.
Dr. Carlson’s clinical expertise is in oral/head and neck tumor surgery along with research interests in molecular aspects of oral/head and neck cancer diagnosis and treatment.

Chuck Carringer, Ph.D.
Next Level Leadership
$40.00 per person         2 CE hours
Reservations Required Prior to 1/16/2019

Explore leadership and management best practices around such topics as leader actions to increase employee engagement, work-life balance, developing a coaching leadership style, characteristics of the most effective teams and much more.

Dr. Chuck Carringer is an executive coach, trainer and speaker based in the Knoxville, Tennessee area. An expert in leadership development, Chuck partners with his executive coaching, training, and speaking clients to take their leadership and performance to the next level. Chuck holds a doctorate in Executive Leadership emphasizing executive coaching and leadership styles and is a founding partner of the prestigious John Maxwell Coaching, Speaking, and Training Certification Program.

Leveraging 30+ years of experience, Chuck understands the challenges leaders face and is passionate about creating an experience through his executive coaching, training, and speaking that encourages clients not to just think about leadership, but to embrace and implement these principles resulting in growth, improved performance and cultural change. Chuck is a former distinguished, public school educator. He served 24 years in a variety of roles at the high school level including teacher, Hall of Fame coach (most career victories for any boys’ basketball coach in school history), Athletic Director, and Principal (during his tenure the graduation rate increased from 79% to 92% and he successfully completed a 58 million dollar construction renovation project).
Thursday, February 21, 2019
Hotel Knoxville (formally Marriott) 501 E. Hill Ave.
Reception 6:00 p.m. Dinner & Program 6:30 p.m.
O. Lee Wilson, DMD, MAGD, FACP
University of Tennessee Medical Center, Knoxville
Department of General Dentistry
State of the General Practice Residency
$40.00 per person 2 CE hours
Reservations Required Prior to 2/13/2019

Dr. Wilson will give an update on the State of the Department of General Dentistry at the University of Tennessee Medical Center.

This will include activities involving the General Practice Residents and the Forensic Odontology Program.

Two of the Chief Residents will give information on the dental treatment of traumatic anterior tooth injuries. The acute phase to follow up treatment will be presented.

O. Lee Wilson

Dr. O. Lee Wilson earned his Bachelor’s Degree from Spring Hill College in Mobile, AL, in 1982 and then his Doctor of Medical Dentistry from the University of Alabama in Birmingham in 1987. He then completed his residency at the University of Tennessee Medical Center at Knoxville in 1989.

Dr. Wilson was awarded a Fellowship in the Academy of General Dentistry in 1994, was inducted into the American College of Dentists in 2002, Received the Excellence in Teaching Award in 2009, and was inducted into the Fellowship in the International College of Dentists in 2016. He is also a member of the following professional organizations: American Dental Association, Tennessee Dental Association, Second District Dental Society, Academy of General Dentistry, Special Care in Dentistry, & Southeastern Academy of Prosthodontics.

Dr. Wilson loves the people he works with and knowing he is making a positive change in his patients’ lives. He and his wife, Carolina A. Wilson, DMD, have two daughters, Margaret and Katherine. When he’s not busy practicing or teaching dentistry, Dr. Wilson enjoys dog training, farming, hunting, fishing, and traveling.

Friday, March 29, 2019  Dr. Ben Alley Lecture
Hotel Knoxville (formally Marriott) 501 E. Hill Ave.
Registration & Breakfast 8:15-8:45 a.m. Program 8:45—12:00
Randy F. Huffines, DDS, FRCSEd
Techniques for Older Patients
$75.00 per doctor     $50.00 per auxiliary & staff     3 CE hours
Reservations required prior to 3/15/2019

According to the ADA, older adults are the fastest growing patient demographic in the US. Providing quality dental care for them can be very rewarding but also very challenging due to an array of complex dental and medical conditions that become more common as we age. This often requires that the dentist "think outside the box" both in treatment planning and the procedures needed to deliver care appropriate to that patient’s unique situation. Many times, those techniques are not described in textbooks. Learn practical techniques in the use of silver diamine fluoride and other new anticaries agents, restoring the older high-risk caries patient (and when to give up restoring them!), unconventional removable prosthodontics, managing patients on the new "blood thinners" and much, much more.

Dr. Randy Huffines is recognized as one of the country's leading experts on aging and oral health. He received his DDS in 1983 from the University of Tennessee. Dr. Huffines left practice for two years to become one of only a handful of practicing clinicians in the United States who has completed a two-year postdoctoral Fellowship in Geriatric Dentistry. During his career he has treated older and medically complex adults in a traditional private practice, in hospitals, and in nursing homes. He is a Past President and a Fellow of the American Society for Geriatric Dentistry, Fellow of the American Association of Hospital Dentists, and Diplomate of the American Board Special Care Dentistry and Fellow of the Royal College of Surgeons, Edinburgh, Scotland. In 2004 he was appointed to the American Dental Association's Elder Care Task Force. He has served on the Editorial Board of two major dental drug references. Randy was the originator of the ADA’s Preventive Office of the Year Award. Randy holds faculty appointments in colleges of dentistry, medicine, nursing, and allied health sciences. Despite these responsibilities, Dr. Huffines has spent most of his workweek as a "wet-fingered" clinician providing comprehensive dental care to older and medically complex patients. This extensive practical experience is evident throughout his courses as he illustrates concepts with the thousands of patients he has personally treated. For many years, Dr. Huffines has refused to take financial compensation from the dental industry as a speaker, consultant, or author. He has taken this stand to assure course participants that the information they receive will be based on scientific research and clinical experience instead of on marketing hype.

Installation of Officers

Hotel Knoxville (formally Marriott) 501 E. Hill Ave.
Reception 6:00 p.m.  Dinner & Program 6:30 p.m.

Dr. Paul Cullum, TDA President
$40.00 per staff and guests

No charge for members with a reservation

Reservations required prior to 4/10/2019

Dr. Paul Cullum, a Columbia oral and maxillofacial surgeon, was elected President-elect of the Tennessee Dental Association (TDA) during the TDA’s 150th annual session in Gatlinburg. Dr. Cullum is a 1979 graduate of the University of Tennessee College of Dentistry after receiving his undergraduate degree from the University of Tennessee, Knoxville. He completed his specialty training in oral and maxillofacial surgery in 1987. He is a current member of the American Dental Association (ADA), the TDA, the Sixth District Dental Society, the American Association of Oral and Maxillofacial Surgeons (AAOMS), and Tennessee Society of Oral and Maxillofacial Surgeons (TSOMS). He has served in numerous leadership positions in these organizations, which include President (1997-1998 and 2000-2002) of the Sixth District Dental Society, President (2009-2011) of TSOMS, Sixth District Trustee for the TDA Board of Trustees, and Treasurer of the TDA for the past five years. Dr. Cullum was awarded the TDA Fellowship Award in 2004.

In addition to clinical papers published and presented nationally, Dr. Cullum was instrumental in the successful efforts of the TDA and the TSOMS in having the ADA-recommended definition of dentistry incorporated into the Dental Practice Act. The many hours he spent with colleagues and legislators to win passage of this measure have been recognized by his colleagues and by the AAOMS.

Dr. Cullum’s dedication and perseverance were evident early as he was an Eagle Scout and received the God and Country Award from the Boy Scouts. During his military service in the United States Air Force, he was honored with the Surgeon General’s Award.
